November 19, 2015

Dear Neighbors,

Since September the Borough of Red Bank has transitioned to a private company for solid waste and recycling pickups. The Department of Public Utilities and I have been pleased with the services being rendered and hope you are too.

Our vendor has offered to increase the frequency of bulk waste removals on the second pick up day of each week. Ordinance 2015-28 dictates the frequency and amount of bulk waste that can be placed curbside however, we are making the frequency of these pickups weekly and for the entire calendar year.

By doing this we will make it easier for you to place bulk out once each week in smaller amounts all year long. The new schedule will save money and make it easier for you to dispose of such items.

Please familiarize yourself with the changes in the attached Ordinance and know that the Department of Public Utilities is available to answer your questions by calling 732-530-2770.

Best regards for a wonderful holiday season,

Edward J. Zipprich
Councilman
