## Announcement

The Borough of Red Bank Housing Improvement Program has announced it is now accepting applications from homeowners in need of assistance with making critical home repairs.

Any Red Bank resident who owns and occupies a one or two family home and has a household income, based on family size, at or below the following schedule is encouraged to apply.

Eligible repairs can be roofs, weatherization, electrical, plumbing, heating, hot water, structural or any existing or potential housing code violations.

For a brochure and an application, interested homeowners may contact the Housing Improvement Office at [housing@redbanknj.org](mailto:housing@redbanknj.org) or by calling 732-530-2777 ext 255.

To schedule an office interview call 732-450-2084.
