f. which purchases and redeems investments directly from the issuer, government money market mutual fund, or the State of New Jersey Cash Management Fund, or through the use of a national or State bank located within this State, or through a broker-dealer which, at the time of purchase or redemption, has been registered continuously for a period of at least two years pursuant to Section 9 of P.L. 1967 c.9 (C.49:3-56) and has at least $25 million in capital stock (or equivalent capitalization if not a corporation), surplus reserves for contingencies and undivided profits, or through a securities dealer who makes primary markets in U.S. Government securities and reports daily to the Federal Reserve Bank of New York its position in and borrowing on such U.S. Government securities.

VI. SAFEKEEPING CUSTODY PAYMENT AND ACKNOWLEDGMENT OF RECEIPT OF PLAN.

To the extent that any Deposits or Permitted Investment involves a document or security which is not physically held by the Borough, then such instrument or security shall be covered by a custodial agreement with an independent third party, which shall be a bank or financial institution in the State of New Jersey. Such institution shall provide for the designation of such investments in the name of the Borough to assure that there is no unauthorized use of the funds or the Permitted Investments or Deposits. Purchase of any Permitted Investments or Deposits. Purchase of any Permitted Investments that involve securities shall be executed by a “delivery versus payment” method to insure that such Permitted Investments are either received by the Borough of by a third party custodian prior to or upon the release of the Borough’s funds.

To assure that all parties with whom the Borough deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official(s).

VII. REPORTING REQUIREMENTS.
On the first day of each month during which this Plan is in effect, the Designated Official(s) referred to in Section III hereof shall supply to the governing body of the Borough a written report of any Deposits or Permitted Investments made pursuant to this Plan, which shall include, at a minimum, the following information:

A. The name of any institution holding funds of the Borough as a Deposit or a Permitted Investment.
B. The amount of securities or Deposits purchased or sold during the immediately preceding month.
C. The class or type of securities purchased or Deposits made.
D. The book value of such Deposits or Permitted Investments.
E. The earned income on such Deposits or Permitted Investments. To the extent that such amounts are actually earned at maturity, this report shall provide an accrual of such earnings during the immediately preceding month.

The Chief Financial Officer shall, at the beginning of the fiscal year, present to the Township Committee a schedule of debt service principal and interest payments and when available, a schedule of School Tax payments for the upcoming fiscal year. Upon review of the schedules of payments by the Township Committee, the Chief Financial Officer shall then have the authority to make the aforementioned payments and the following disbursements that shall be ratified by the Governing Body at the following official meeting:

- School Taxes
- County Taxes
- SID Taxes
- Inter-fund Obligations

- Any State Mandated Fees – Stormwater, Unemployment, etc.
- Insurance Premiums

IX. Audit

The Cash Management Plan shall be subject to annual audit conducted pursuant to N.J.S.A. 40A:5-4.

X. Surplus

The Cash Management Plan and Accounting Policies of the Borough Administration incorporate the goals of maintaining and replenishing reserves, determining when they can be used, what the fund balance target level is and to what minimum level they will not drop below. They also define a target for cash, as cash is a leading indicator of financial health. While the Cash Management Plan and the Accounting Policies do not require a specific fund balance level, the Borough recognizes that the specific targeted level should be predicated on the level of fiscal vulnerability faced by the Borough including the cyclical vulnerability of the revenue stream, volatility of expenditure items and likelihood of natural disasters.

We understand that this written policy concerning surplus, while not necessarily legally binding, indicates that the Borough Administration have discussed the policy in full and arrived at a consensus behind it.

XI. TERM OF PLAN.
This Plan shall be in effect January 1, 2023 to December 31, 2023. Attached to this Plan is a resolution of the governing body of the Borough approving this Plan for such period of time. The Plan may be amended from time to time. To the extent that any amendment is adopted by the Council, the Designated Official is directed to supply copies of the amendments to all of the parties who otherwise have received the copy of the originally approved Plan, which amendment shall be acknowledged in writing in the same manner as the original Plan was so acknowledged.
