### **Monthly Meeting**

January 28, 2020 7PM - Court Room

#### **Events:**

Sweetheart Dance took place at the RB Elks, February 7. 60 People attended and all went well, except for 1 thing. All of Front St lost power at the start of the event. We were in darkness for about 15-20 minutes. The DJ sang to entertain the crowd. Once the power was restored, all went well. We extended the event for 20 minutes to ensure everyone got their money's worth.

The ski trip was postponed/cancelled. There was a warm, rainy stretch and the conditions would have been unenjoyable/unsafe. Depending on the weather and the schedule, we may re-organize another trip in mid-late March.

Lastly, volunteers are needed for the 5k race on June 20. Any group or individual should contact me to help out.
