

SCUTTLEBUTT

Red Bank, New Jersey

DECEMBER 2023

SPIRIT OF THE SEASON

The holidays are a special time of year when we gather with loved ones, indulge in delicious treats, and exchange gifts to show our appreciation for one another. It's a season of joy, warmth, and love that brings people together from all walks of life. As we reflect on the winter holidays, it's important to remember the true essence of this magical time.

It's important to remember that it's not about the grand gestures or expensive presents; it's about the little things that bring joy and create memories. It's about the cheesy holiday rom-coms that make us laugh and cry, the peppermint, gingerbread, and eggnog-flavored treats that warm our hearts, and the time spent finding the perfect gift for a loved one.

These small moments are what make the holiday season truly special and meaningful. They remind us of the importance of cherishing the little things and embracing the spirit of the season. So this winter, let us all take a moment to reflect on the true essence of the holidays and make a conscious effort to bring back the warmth, joy, and love that makes this time of year so magical.

No matter what holiday you celebrate this winter season, whether it's Diwali, Hanukkah, Kwanzaa, Three Kings Day, Las Posadas, Winter Solstice, Chinese New Year, or Christmas, I wish you a new year filled with all that you hope for. May it be sprinkled with love, friendship, and the true essence of the holidays.

- Laura Reinertsen, Borough Clerk

IN SINCERE APPRECIATION

As the new year approaches, we take a moment to reflect on the contributions and achievements of Chief Darren McConnell, who will be stepping down as the Borough Manager in 2024. We would like to express our deepest appreciation for his exceptional service and unwavering dedication during his tenure as the interim Borough Manager.

Chief McConnell has been instrumental in ensuring the smooth functioning of the borough, taking charge of various responsibilities that came with the role of an interim leader.

One of the key qualities that set Chief McConnell apart was his ability to handle crises with composure and sound judgment. In times of uncertainty and adversity, his strategic thinking and level-headedness proved invaluable, ensuring the well-being and safety of the community. Under his interim leadership, the borough not only survived testing times

but emerged stronger, showcasing his exceptional leadership capabilities.

His holistic approach to problem-solving resulted in effective decision-making, benefiting the community as a whole. Moreover, his commitment to inclusivity and transparency further enhanced trust and confidence in local governance.

As we bid farewell to Chief McConnell, we welcome the new Borough Manager, James Gant, who will commence duties in January. The selection process has been rigorous, and we are confident that the incoming leader will build upon the solid foundation laid by Chief McConnell. As we move forward, we express our profound gratitude for his dedication, leadership, and devotion to the betterment of our borough.

In conclusion, Chief Darren McConnell's contributions as the interim Borough Manager have been invaluable. His exceptional leadership, commitment to public service, and unwavering dedication have left an indelible mark on the community. We extend our heartfelt appreciation for his selfless service, wishing him continued success in his future endeavors.

"Christmas isn't a season. It's a feeling." -Edna Ferber

The Red Bank Public Library will be closed on the following days in observance of the holidays: December 22nd, 23rd, 25th, 29th, and 30th. We wish you a cozy and healthy holiday season with family and friends.

Can't make it to the Library? Use the Library's 24/7 Library through our website to access eBooks, movies, TV shows, music, and learning opportunities at www.redbanklibrary.org.

WHERE DO I GO FOR PERMITS?

ZONING

732-530-2753

The primary purpose of the Zoning Department is to administer and enforce the Zoning Regulations of the Borough. The Department guides public and private development through planning & development policies and review standards in order to create and maintain a balanced community.

BUILDING DEPARTMENT

732-530-2760

The primary responsibility of the building department is to protect the health, safety, and welfare of New Jersey's citizens. To accomplish this construction officials and subcode officials review construction permit applications to ensure that

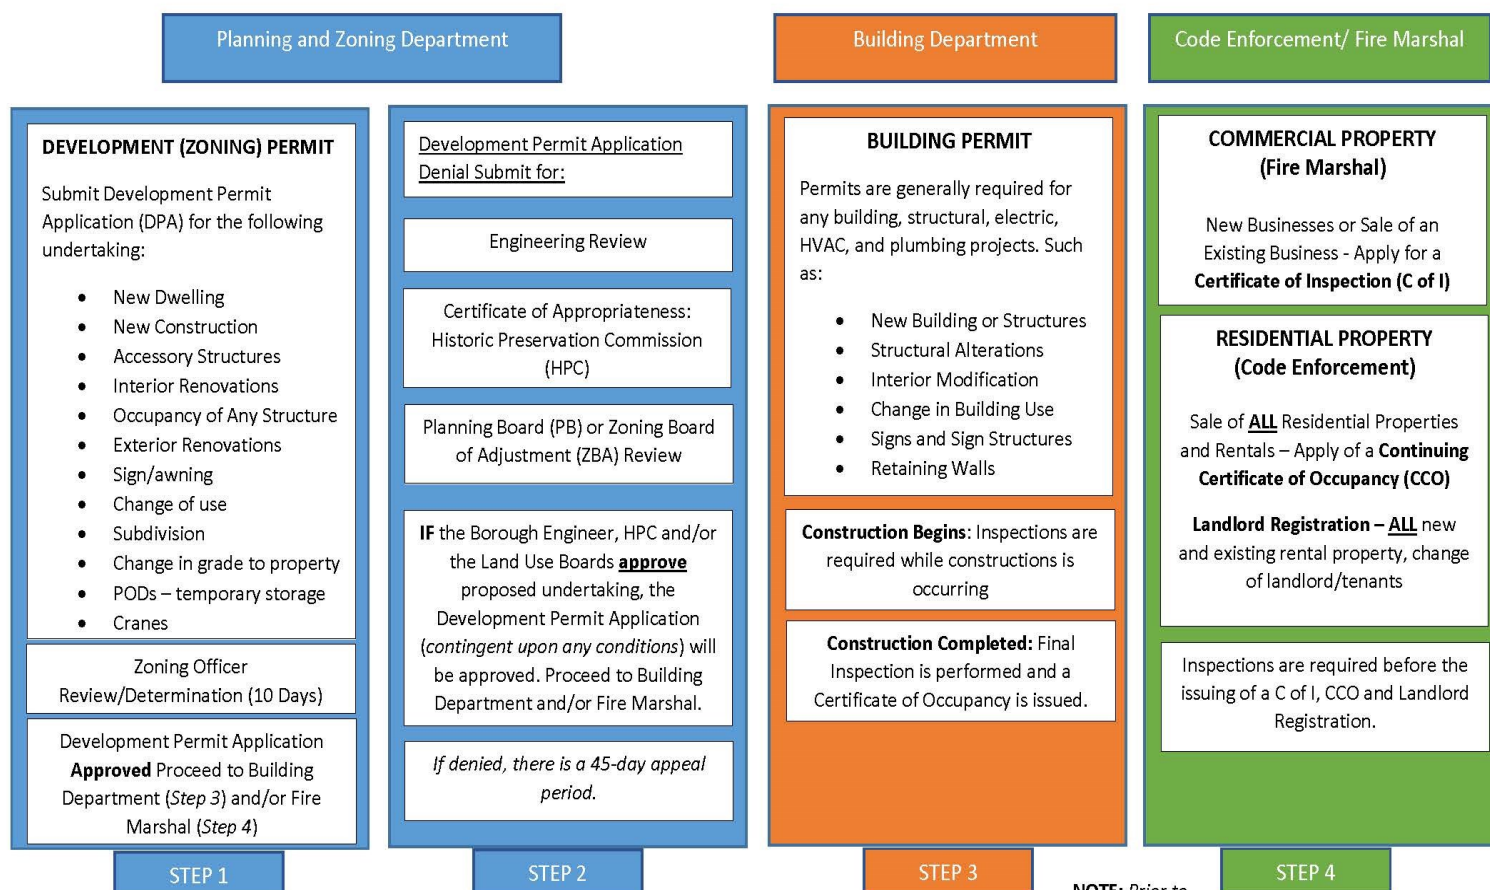

building plans and specifications conform to the New Jersey Uniform Construction Code (NJUCC), inspectors perform field inspections for construction projects to ensure that the construction is in accordance with the NJUCC.

CODE ENFORCEMENT

732-530-2764

The primary responsibility of code enforcement professionals is to protect the health, safety, and welfare of Borough residents and visitors. To accomplish this code enforcement officials and inspectors perform field inspections to ensure that properties are maintained in accordance with the Property Maintenance Code (PMC) adopted by the Borough.

PERMIT APPLICATION FLOW CHART

- Go through these decision points to determine which department will affect your project.
- Obtain all permit applications once you have a survey, plot plans and/or building plans.
- The accuracy of your information determines the timeframe for your application to be approved.

NOTE: Prior to Proceeding to Fire Marshal's Office, ensure all building permits are closed.

CHECK TIRES.

Be sure your tires have good tread, are properly inflated and don't forget to check your spare.

STOCK UP.

Keep blankets, ice scrapers, emergency flares, flashlights and jumper cables handy.

SERVICE YOUR CAR.

Have your vehicle checked thoroughly before long road trips.

HITTING THE ROAD FOR THE HOLIDAYS?

PLAN AHEAD.

Check weather, traffic and road conditions before you leave the house.

STAY ALERT.

Always be aware, drive sober and buckle up.

MERRY CHRISTMAS

LOOKS LIKE YOU CAN'T USE SOCIAL DISTANCING TO AVOID THE IN-LAWS THIS YEAR...

12 Days of Holiday Safety

It's easy to make safety a part of your holiday with these tips. Tackle one a day and you're well on your way to a safe New Year!

Day 1

What's that noise?

Test your smoke and carbon monoxide alarms. Make sure everyone knows what to do if they hear them.

Day 5

Ouch! Prevent trips and falls by keeping cords safely along walls and out of doorways and high traffic areas.

Day 9

Nice and warm. Keep space heaters at least 3 feet away from anything that can burn—decorations, trees, gifts, and curtains.

Day 2

What a shocker!

Before use, inspect all electrical lights, decorations, and extension cords for damage.

Day 6

Kids eat the darndest things! Avoid putting lights, metal hooks, breakable ornaments, and other small decorations within reach of young children.

Day 10

Can't touch this! Consider installing tamper-resistant outlets/receptacles to prevent kids from inserting objects into the slots.

Day 3

Two's company, three's a crowd. Do not overload outlets with too many decorations or devices.

Day 7

Thirsty? Keep your Christmas tree stand full of water. A fresh, green tree poses less of a fire hazard than a dry tree.

Day 11

Escape Route: Share your family fire escape plan with overnight guests.

Day 4

Is it working? Test your ground fault circuit interrupters (GFCIs) and arc fault circuit interrupters (AFCIs) to make sure they're protecting you.

Day 8

Make a wish! Blow out the candles before leaving a room or going to bed.

Day 12

Hot stuff! Keep children away from cooking areas; use back burners and turn pot handles in away from little hands.

There's no greater gift you can give your family than a safe and happy holiday! Learn more at holidaysafety.org.

"One kind word can warm three winter months." -Japanese Proverb
