**WHEREAS**, home fires killed more than 2,800 people in the United States in 2021, according to the National Fire Protection Association® (NFPA®), and fire departments in the United States responded to 338,000 home fires; and

**WHEREAS**, cooking is the leading cause of home fires in the United States and fire departments responded to more than 166,400 annually between 2016 and 2020 ; and

**WHEREAS**, two of every five home fires start in the kitchen with 31% of these fires resulting from unattended cooking; and

**WHEREAS**, children under five face a higher risk of non-fire burns associated with cooking than being burned in a cooking fire; and

**WHEREAS**, Red Bank's residents should turn pot handles toward the back of the stove; always keep a lid nearby when cooking; keep a three-foot kid-free zone around the stove, oven, and other things that could get hot; watch what they heat; and set a timer to remind them that they are cooking; and

**WHEREAS**, Red Bank's first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

**WHEREAS**, the 2023 Fire Prevention Week™ theme, "Cooking safety starts with YOU. Pay attention to fire prevention™," effectively serves to remind us to stay alert and use caution when cooking to reduce the risk of kitchen fires.

**THEREFORE**, I, William Portman hereby do hereby proclaim October 8–14, 2023, as Fire Prevention Week, and I urge all the people of Red Bank to check their kitchens for fire hazards and use safe cooking practices during Fire Prevention Week 2023, and to support the many public safety activities and efforts of Red Bank's fire and emergency services.
