OFFICE OF PARKS AND RECREATION

To Whom It May Concern:

It is exciting to see our community preparing for another summer of fun in Red Bank. Each year, residents enjoy warm nights outdoors with lively entertainment and more, free to all! Here at Red Bank Parks & Recreation, we're hard at work on our 2025 Summer Series and cannot wait to share the full schedule with you. The Summer Series is an amazing collection of events that truly defines Red Bank as a summer destination. We will once again offer Jazz in the Park, Outdoor Movies and Fitness Classes throughout the summer.

We are aiming to make the 2025 Series our best ever, expanding our offerings and involving more residents, but we need your help to get there. **Last summer's events drew big crowds even during pandemic time. This Summer, we are expecting the crowds to be higher than ever.** As an important member of our community, please consider sponsoring our popular Summer Series Program. Please help us promote another successful season of **music, film and fitness in The Red Bank Borough**. By becoming a sponsor, you will support our continued efforts in bringing the 2025 Summer Series to life in the greater Red Bank community we all share and enjoy.

Sponsorships are a strategic way to advertise your brand, while making an incredible investment in the community. Our summer programs are attended by thousands of patrons weekly—both from Red Bank, as well as surrounding communities. Your company will be proudly showcased and recognized via traditional print advertising (including flyers, signage, and press coverage) and online (through email marketing, social media, and website placement) leading up to and during the event. Additionally, two large "billboard-like" banners are placed on the Riverside Gardens Park entrance, which gives your brand excellent exposure to patrons on foot, bike, or car throughout the 8-week series. The second billboard will be placed on Broad Street, one of Red Bank's most trafficked streets.

Thank you in advance for your consideration. We hope that we can count on your generosity and support. It is important that we work together to ensure the rich culture that binds our town to remain strong. Can you help us keep the music playing?

To help, or for more information, please contact Oscar Salinas at (732) 530-2782 or by email [osalinas@redbanknj.org](mailto:osalinas@redbanknj.org)

We look forward to partnering with you this summer!

Thank you,

*Oscar Salinas*
