

**ORDINANCE NO. 2012-8**

**ORDINANCE OF THE BOROUGH OF RED BANK,  
COUNTY OF MONMOUTH, NEW JERSEY  
AMENDING AND SUPPLEMENTING  
CHAPTER III, POLICE REGULATIONS,  
SECTION 3-9.12 “NOISE DISTURBANCES”**

Mr. Murphy offered the following ordinance and moved its adoption on final reading:

**WHEREAS**, excessive noise is a serious hazard and detriment to the public health, welfare, safety, and the quality of life of the Borough’s residents; and

**WHEREAS**, the residents who reside in residential neighborhoods have a right to, and should be ensured of, an environment free from excessive sound and other disturbances, in particular during the evening hours; and

**WHEREAS**, pursuant to its police powers, Governing Body may adopt any ordinance for the public health, safety and welfare of the Borough and its inhabitants, which powers include the authority to restrict hours of operation of business establishments; and

**WHEREAS**, the Governing Body finds that a business establishment that operates twenty four (24) hours a day and that is located in close proximity to a residential neighborhood will interfere with the quality of life and the residential character of such neighborhoods; and

**WHEREAS**, the Governing Body finds that reasonable restrictions on the hours of operation of businesses located in close proximity to a residential neighborhood will eliminate the evening noise intrusions on said neighborhoods and its residents and that such restrictions will thereby benefit the public health, safety and general welfare, and quality of life of the Borough’s residents.
