said common carrier's installation, use or maintenance of such drop box.

- B. Any common carrier having a drop box which is already located or installed on any public sidewalk or public right-of way within the Borough of Red Bank on the effective date of this chapter shall, within 60 days of the effective date of this chapter, apply to obtain a permit in accordance with the requirements and deadlines as set forth in the remaining sections of this chapter for any drop box or drop boxes such common carrier intends to continue operating.

§ 297-3 Compliance and permit required.

- C. Each drop box shall be maintained in a neat and clean condition and in good repair at all times.
- D. Each drop box shall be maintained to prevent the spillage of any documents, goods, packages, parcels, and/or any materials or supplies stored therein from being scattered about the area.

- D. Drop boxes may be placed next to each other in groups at the same location, provided that no group of drop boxes shall extend for a distance of more than six feet along a curb, and provided, further, that there shall be a minimum of 20 feet between any such group of drop boxes and any other drop box or group of drop boxes.

- (9) Within 300 feet of any other drop box operated by the same common carrier;
- (10) In front of a single-family or two-family residence;
- (11) To cause sight line obstruction at any intersection or driveway; or
- (12) No more than two drop boxes may be placed adjacent to each other at any location that complies with this chapter. After a drop box, or a pair of drop boxes, is permitted for a specific location, no additional drop boxes shall be placed less than 200 feet from the permitted drop box.

§ 297-7 Enforcement.

- A. If the Zoning Official or designee shall determine that a drop box does not comply with the provisions of this chapter, including the requirement to provide the notification required by § 297-2 of this chapter, then the Zoning Official or designee shall mail a written notice to the common carrier of such drop box, by certified mail, return receipt requested, stating the specific reasons why such drop box does not comply with the provisions of this chapter.
- B. If a common carrier fails to adjust, correct, register or otherwise cause such drop box to be brought into compliance with the provisions of this chapter within 10 days of the date the written notice of noncompliance is mailed by the Zoning Official or designee, then such common carrier shall be deemed to be in violation of this chapter.

§ 297-8 Violations and penalties.

- A. Any common carrier who, after written notice as set forth in § 297-7, fails to comply with the provisions of this chapter shall, upon conviction therefor in Municipal Court, be subject to a fine not to exceed \$1,000.00. Each day for which common carrier fails to comply with this chapter shall be a separate violation hereunder.
- B. If a common carrier is convicted of a violation of this chapter by the Municipal Court and if such common carrier thereafter refuses to remedy or correct the said violation within 20 days of the date of said conviction or, in the event of a direct appeal, within 20 days of the date upon which said conviction shall become final, then the Zoning Official or designee of the Borough of Red Bank shall be empowered to remove the drop box which was the basis for such conviction from the public sidewalk or public right-of-way. The Borough of Red Bank will store the drop box for a period not to exceed 30 days, during which period the owner can retrieve the drop box. After 30 days, the Borough of Red Bank will discard the drop box.

BE IT FURTHER ORDAINED by the Governing Body of the Borough of Red Bank that any ordinances or portions thereof which are inconsistent with the provisions of this Ordinance are hereby repealed as of the effective date of this Ordinance. All other provisions of the Revised

General Ordinances are ratified and remain in full force and effect.
