IX. Audit

The Cash Management Plan shall be subject to annual audit conducted pursuant to N.J.S.A. 40A:5-4.

X. Surplus

The Cash Management Plan and Accounting Policies of the Borough Administration incorporate the goals of maintaining and replenishing reserves, determining when they can be used, what the fund balance target level is and to what minimum level they will not drop below. They also define a target for cash, as cash is a leading indicator of financial health. While the Cash Management Plan and the Accounting Policies do not require a specific fund balance level, the Borough recognizes that the specific targeted level should be predicated on the level of fiscal vulnerability faced by the Borough including the cyclical vulnerability of the revenue stream, volatility of expenditure items and likelihood of natural disasters.

We understand that this written policy concerning surplus, while not necessarily legally binding, indicates that the Borough Administration have discussed the policy in full and arrived at a consensus behind it.

To the extent that any amendment is adopted by the Council, the Designated Official is directed to supply copies of the amendments to all of the parties who otherwise have received the copy of the originally approved Plan, which amendment shall be acknowledged in writing in the same manner as the original Plan was so acknowledged.
