

BOROUGH OF RED BANK
COUNTY OF MONMOUTH
RESOLUTION NO. 09-85

**A RESOLUTION REQUESTING THE BOARD OF HEALTH OF THE BOROUGH OF RED BANK
TO CONSENT TO THE PROVISION OF PUBLIC HEALTH SERVICES BY THE MONMOUTH
COUNTY DEPARTMENT OF HEALTH**

Mr. DuPont offered the following resolution and moved its adoption:

WHEREAS, the Borough of Red Bank is required by State law to provide public health services to its residents; and

WHEREAS, the Borough of Red Bank, through the Board of Health of the Borough of Red Bank, currently provides such public health services through a contract with the Monmouth County Regional Health Commission No. 1; and

WHEREAS, the Borough has investigated whether the provision of public health services could be provided at lesser cost by the Monmouth County Health Department; and

WHEREAS, the Borough’s investigation has revealed that the Monmouth County Health Department’s provision of public health services could result in savings to the Borough of about \$80,000.00 per year; and

WHEREAS, the Mayor and Council believe that such cost savings are significant and should be pursued; and

WHEREAS, because the Monmouth County Department of Health provides the required public health services to twenty-two other municipalities within the County of Monmouth, that Department is able and qualified to provide a proper level of public health services to the Borough of Red Bank; and

WHEREAS, the current contract between the Borough’s Board of Health and the Monmouth County Regional Health Commission No. 1 requires six months notice of an intent to withdraw, in the form of a resolution of the Red Bank Board of Health; and

WHEREAS, the Mayor and Council believe that withdrawal from the Regional Health Commission No. 1 would be in the Borough’s best interests; and

WHEREAS, the Mayor and Council wish to ensure that there is no interruption in the required public health services available to the Borough’s residents;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Red Bank that the Board of Health is requested to adopt a resolution consenting to the provision of public health services in the Borough by the Monmouth County Health Department;

BE IT FURTHER RESOLVED that a copy of this resolution shall be sent to the Red Bank Board of Health, the Monmouth County Regional Health Commission No. 1, the Monmouth County Health Department; the Commissioner of Health of the State of New Jersey and to the Visiting Nurse Association of Central Jersey.
